

Latest news on Tauriko West.

The Minister for the Environment, David Parker issued his direction to Bay of Plenty Regional Council last week on the steps to be taken to amend the urban limits and allow for urban development of land at Tauriko West. Tauriko West, on the edge of Tauranga, is the next proposed urban development to support the rapid growth of the western Bay of Plenty and Tauranga.

Here is the link to the Bay of Plenty Regional Council media release.
